VIRTUAL TEAM: PULSE CHECK + COACHING

ARE YOU LISTENING? FIND OUT WHAT IS GOING ON WITH YOUR TEAM DURING THE COVID-19 GLOBAL PANDEMIC.

In partnership with Trispective, Newmeasures is offering a check-in pulse survey and leadership coaching to help you:

- ✓ Identify what's already working well and where the team needs more support and coaching
- ✓ Assess your team's strengths and challenges and ensure you are equipped to lead the team through this crisis
- ✓ Share these findings with your team and co-create a plan for moving forward collectively
- ✓ Follow up to verify that the team has made progress and if not, to learn what to do next

INVESTMENT:
\$1,700 FOR A
TEAM UP TO 10
PARTICIPANTS

HERE'S HOW IT WORKS:

Pulse Check

An anonymous pulse survey for your team to give feedback on topics such as:

- Communication
- Clear expectations
- Support for well-being
- Team leadership
- Collaboration & connection
- Meeting structure
- Conflict management

Leadership Coaching Session

A 60-minute review of the pulse survey results and discussion of your important role in leading your team through this time

Facilitated Team Session

A 90-minute virtual coaching session with your team that includes:

- Reviewing & analyzing survey results
- Sharing best practices for virtual teamwork
- Developing team operating norms
- Expectations & needs from you (the team leader) and each other
- Creating actions & next steps

Progress Check

A follow-up pulse survey for your team to ensure progress has been made and to identify other topics that may warrant additional discussion or coaching
